Update from the head

Hello everyone,

Firstly, I would like to say how wonderful it was to meet so many of you at the Early Years end of year assembly yesterday. The children's poem and song performances were fabulous and it was so lovely to hear all of the individual teacher comments on the children's certificates.

I hope to welcome many of you this afternoon for our Summer Fair, where I am sure there will be fun to be had and sunshine (hopefully) to enjoy. Have a lovely weekend.

All the best - Tom Wriglesworth

Diary Dates

Dates For Your Calendar

Summer Term

- 15.07.24 Reports Sent to Parents
- 15.07.24 Year 3 End of Year Assembly @ 2:30pm
- 15.07.24 Year 6 Production
- 16.07.24 Year 6 Crucial Crew Visit
- 16.07.24 Year 1 End of Year Assembly @ 2:30pm
- 17.07.24 Year 5 End of Year Assembly @ 2:30pm
- 18.07.24 Year 6 Leavers' Lunch
- 18.07.24 Year 2 End of Year Assembly @ 2:30pm
- 18.07.24 Year 6 Leavers' Disco 5 - 6:30pm
- 19.07.24 Year 6 Leavers' Assembly & Refreshments @ 9:30am
- 19.07.24 School Closes for Summer (from 1:30pm)

Wishing all our families a wonderful Summer Break

04.09.24 School Re-Opens for Autumn Term

Reminder of our end of day procedures in KS2.

Please continue to use our circular system to avoid congestion at the gates. Parents and carers will enter the playground via the main KS2 gates, collect their children from the playground and exit via the bottom playground gates.

Class 1 & 2

This week the children have created some art based on the artist Karen Lederer. The children used techniques such as sketching, painting and printing to recreate her famous painting of a fruit bowl. The gallery wall in EYFS now looks beautiful. Maybe your child can tell you a fact about Karen?

In maths, we read the story Mr Gumpy's Outing. Mr Gumpy and his animals all try to fit inside his boat and cause it to rock! The children have been using their number knowledge and tens frames to work out how many legs were in the boat based on the different animals in the boat.

Thank you to everyone that attended the celebration assembly on Thursday. It was lovely to see the children feeling proud of their achievements and their excitement when showing you their learning stories. We hope you can now treasure these forever.

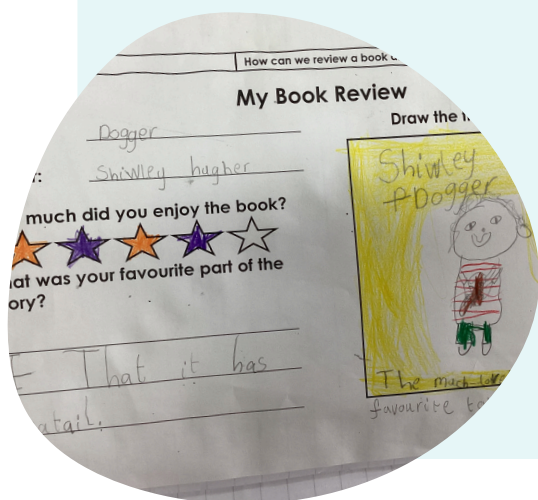

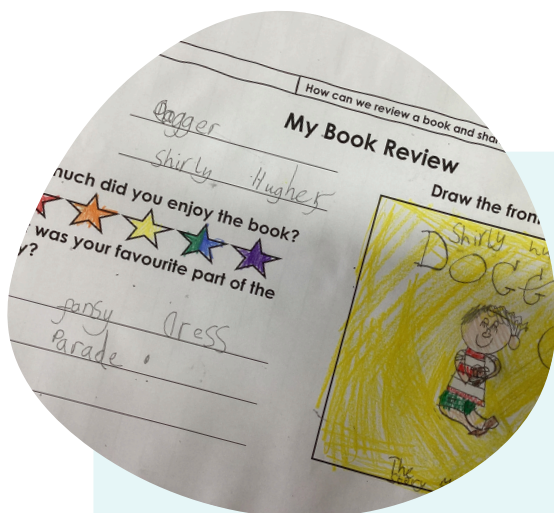

Year 1

Class 3 & 4

This week our unit of learning in maths has been money. We have been using our money purses to recognise the different coins and their values. If you have chance over the next few days, it would be great to look at coins and notes and point out prices of items when shopping.

We are continuing our unit of learning about Pablo Picasso in Art. This week the children drew some amazing faces in the style of Picasso.

Thank you for sending in soft toys for our writing unit which we now have finished. The children have really enjoyed having their soft toys to help them with their creative writing and snuggle up to at story time too!

Year 2

Class 5 & 6

This week in Year 2 we have continued learning about statistics in maths. In English we have been reading Grandad's Camper and using it to write a sequel to the story.

This week we have completed our focus reading text, which was 'The Tunnel' by Anthony Browne. The children have been amazing at learning the new fluency strategies, discussing vocabulary and sharing their thoughts on the text and characters.

In PSHE we have been creating memory books about our time in Year 2. In Design Technology we have evaluated our coleslaw and sandwiches from last week.

We have started our last PE unit of the year which is based on team building and problem solving.

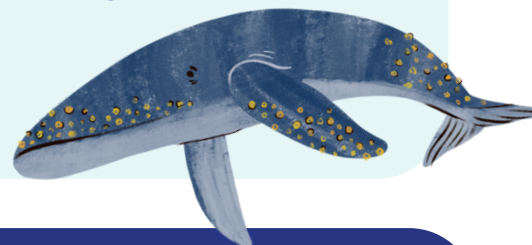

Year 3

Class 7 & 8

In Year 3, we have been practising our sewing skills in preparation for making our puppets next week. We have learnt how to use a running stitch and an overcast stitch.

In Science, we have been experimenting which surface creates the most friction. We were able to conclude that smooth surfaces create less friction than a bumpy surface.

The children have been enjoying reading the book, This Morning I Met a Whale, by Michael Morpurgo. As well as exploring the character's emotions, they have been practising their fluency strategies.

Class 9 & 10

The children have enjoyed learning about coordinates this week in Maths and have started planning a spooky narrative. In science, we are learning about food chains.

The children have been learning about using commercial colour charts, to decide colours, tones and shades inspired by our work on Frieda Kahlo.

In PE we have been learning about long jump and throwing javelin.

Year 5

Class 11 & 12

In writing this week we have been beginning to explore how we can create suspense in a story setting, looking at what tools we could use to create a tense atmosphere for our reader. We have really been thinking about our word choices and how these can help create a mood.

Year 5 have also continued to work hard within their teams, problem solving and compromising to create a final game for our 'mini summer fair'. They have worked so well together and as staff we are so proud of what they put together today. Their stalls were brilliant!

Next week, we hope to be able to announce how much money that they have raised for the friends of the school.

Class 13 & 14

Year 6 are enjoying their last couple of weeks at primary school. The play has been a huge focus so that children are ready to perform their socks off on Monday 15th July. Thank you for all the work that has gone into preparing costumes for this and helping children learn lines.

We are incredibly proud of all the children in Year 6 for the effort that they put into their SATs this year. You should have received these results this week (unless your child has been absent).

Dalby Day was a huge success! The children learned the value of a silent lunchtime, the effect of a muddy puddle and the penalty of losing a member of your team (Spring the teddy bear is still recovering from her ordeal). We look forward to announcing the winners in next week's Leavers' assembly, which is at 9:30am on Friday 19th July.

Attendance

Attendance matters.

Coming to school on time, every day is vital to achieving the best possible outcomes as well as learning good habits which will benefit everyone in the future. Below is this weeks' attendance.

EYFS

Blue Group -	98.8%
Green Group -	82.5%
Red Group -	90%

Year 1

Class 3 -	90.1%
Class 4 -	96.6%

Year 2

Class 5 -	88.4%
Class 6 -	92.5%

Year 3

Class 7 -	94.8%
Class 8 -	93.1%

Year 4

Class 9 -	96.7%
Class 10 -	92.3%

Year 5

Class 11 -	92.1%
Class 12 -	90.1%

Year 6

Class 13 -	91.3%
Class 14 -	97.5%

Attendance Procedures

Parents have a responsibility to ensure that their children attend school regularly and to let the school know immediately if their child cannot attend school and the reason for such absence. An absence can be reported by contacting the school office on 01723 365686.

If a child is absent and there has been no contact with the school, the school will phone parents/carers to find out the reason for the absence.

If a child is absent from school for three days, a home visit will take place.

A home visit may also be carried out on the first or second day of absence, in some circumstances.

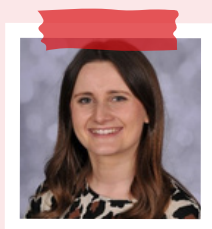

Safeguarding

Ensuring our pupils are safe and well looked after is our key priority.

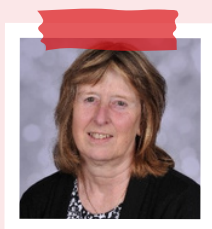

Sarah Tipple

Assistant
Headteacher
Designated
Safeguarding Lead

Ellie Cousins

EYFS Teacher
Deputy Safeguarding
Lead

Helen Wardman

Inclusion Manager,
Deputy Safeguarding
Lead

Adrian Vipond

Trust Safeguarding
Lead

All staff have received Safeguarding training to ensure that they can recognise signs and symptoms of abuse and also how to report/act if a disclosure is made.
