Update from the head

Hello everyone,

Today, we say goodbye to a wonderful group of Year 6 children, who have been great role models for our school. I would like to take this opportunity to wish them the very best of luck as they move on to secondary school.

We also say goodbye to members of the Newby and Scalby staff team. I am sure I speak for the whole school when I say a massive thank you for all of their hard work and dedication.

Over the summer, certain areas of the school will be subject to building work. I am sure you are all as excited as I am to see the changes as we return in September.

To everyone in our community - staff, parents and children - have a lovely break! I look forward to welcoming you all back in September.

Mr Wriglesworth

Class 1 & 2

This week has been a week of reflection as we say a final goodbye to the EYFS children. We have been amazed by their positive attitude and engagement to learning throughout the year.

It has been lovely to watch them grow in confidence, become resilient learners and flourish in all aspects of school life. We wish them the best of luck in Year One and we hope you have a lovely summer.

Year 1

Class 3 & 4

We have been very busy in year 1 this week. In maths we have been learning to tell the time to the hour and half past. This is something you can practise at home on an analog clock.

We have also finished our learning about sculpture and Pablo Picasso by using clay. We learnt to knead, roll and make indents to make patterns on to clay. We then made our own sculptures.

Class 5 & 6

This week we have been learning about Position and Direction in Maths and using our mini Tiny to describe turns left and right and clockwise and anti-clockwise!

In Geography we have continued our learning about Mexico and created our own fact files.

We have now finished reading *The Tunnel* by Anthony Brown. The children find the illustrations in his books so intriguing!

We loved our end of year assembly. The children all received individual certificates for their amazing achievements this year. We hope you all have a lovely summer break!

Class 7 & 8

Wow; what a busy week we have had in Year 3! It was lovely to see so many parents at the end of year assembly and share the children's achievements and favourite songs from the year. They really have been a fabulous year group!

The final week has seen the Year 3 children finishing off their puppets and sharing them with EYFS. It was lovely to hear the children explaining how they made the puppets and to see how excited the EYFS children were to view the finished products.

We have now finished reading the story of, *This Morning I Met a Whale*. Hopefully the story will have inspired the children to take care of their environment and the wildlife that lives in and around our beautiful coastline.

Class 9 & 10

Year 4 have had a fantastic week. We have reflected on our time in year 4 and lots of special memories have been shared. Its great to hear they have created lasting memories.

We have enjoyed finishing Edward Tulane an emotional ending for all. It has been great to see the children's engagement in the reading.

We enjoyed some more painting this week inspired by Freida Kahlo. We loved the bright colours she uses.

Thankyou for all your support this year. It has been a fantastic, busy year.

Year 5

Class 11 & 12

Year 5 have been learning about the painter Wassily Kandinsky. We have been exploring how he uses line, shape and colour in his artwork. We have been experimenting with colour resist using wax crayons and water colour.

The children have been busy working out the profit that they made on their summer fair stalls. The winning stall made £62.80 and in total the children raised £327. 13 for the friends of the school to add to their summer fair total.

Class 13 & 14

Wow! What a fantastic last week Year 6 have had. They have not stopped: meeting with their Y1 reading buddies for the final time; creating some great artwork; putting on a stellar play performance and boogying at their leavers' disco.

We wish them all the best for secondary school. They will be missed.

Attendance

Attendance matters.

Coming to school on time, every day is vital to achieving the best possible outcomes as well as learning good habits which will benefit everyone in the future. Below is this weeks' attendance.

EYFS

Blue Group -	96.5%
Green Group -	88.5%
Red Group -	97%

Year 1

Class 4 -	95.2%

Year 2

Class 5 -	90.8%
Class 6 -	98.3%

Year 3

Class 7 -	94.6%
Class 8 -	91.7%

Year 4

Class 9 -	92.5%
Class 10 -	95.8%

Year 5

Class 11 -	88%
Class 12 -	81.4%

Year 6

Class 13 -	95%
Class 14 -	99%

Summer Fair

A HUGE thank you to the Friends of Newby School for organising our Summer Fair last Friday. What a wonderful event! We raised an incredible £3495.68.

Safeguarding

Ensuring our pupils are safe and well looked after is our key priority.
