25.03.25 Parents Evening 5BT only

26.03.25 Parents Evening

01.04.25 Y1 & 2 Disco @ 3.30pm

01.04.25 Y5 & 6 Disco @ 4.45pm

Update from the head

Hello everyone,

I must start with some thank you messages as we have had such a busy week and one that will stand out for me as one of the best, so far, this year.

Thank you to the children, parents and staff for showcasing the vast array of World Book Day outfits we had yesterday. Thank you to our incredibly talented photographer (Mrs Greenall) for her efforts in capturing the wonderful 'Skipping Day' and World Book Day events. **Mrs Greenall's photos can be seen in the Scarborough News piece that speaks of how the children celebrated 'Skipping Day' at Newby and Scalby.** Thank you to the children and parents for embracing the book fair last week, raising over £800 that will be spent by the children on books they want to have in their classes. Thank you to our visitors from the Scarborough Maritime Heritage Centre for visiting year 3 and sharing fascinating historical facts. What a week!

Please be aware that parents' evening appointments will be live and available to book from 5pm on Monday. It has been a fabulous week, filled with really rich learning experiences for the children and a happy buzz along the corridors. Well done everyone and thank you once more, as always, for your incredible support.

Class OC & OS

Wow - what a busy week we have had in Early Years. We started off the week by learning about Pancake Day and why it is celebrated. We also talked about the tradition of Skipping Day and looked at some photos from the past. We decorated pancakes and considered how fruit could make our pancakes healthier. On Wednesday we used the instructions we wrote in Talk for Writing to look for the Gingerbread Man around Newby. Luckily we found him and he is now safely back in the classroom! On Thursday, we celebrated World Book Day with a Where's Wally theme. We did a Where's Wally treasure hunt in the afternoon and Mrs Tipple read us her favourite story 'What the Ladybird Heard.'

We have also enjoyed our Mcflurry's this week as our attendance award. Keep it up, EYFS!

Year 1

Class 1A & 1S

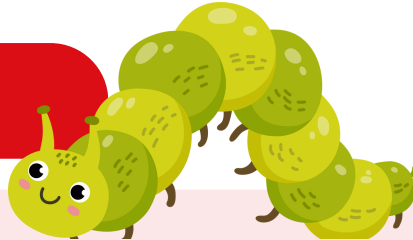

Wow, what a busy week it has been! We've skipped, 1A brought their teddies in and had a wonderful World Book Day.

On Tuesday we all learnt to skip trying to remember our, 'penguin arms'. This was tricky but great fun. We continued to practise at playtime.

On Thursday we all looked fabulous in our costumes. We spent the afternoon with all the key stage 1 teachers sharing their favourite books and doing lots of different activities.

As well as all this excitement we have continued finding out about Queen Elizabeth 11 so we can write an information text about her. We have also started to count and recognise numbers from 50 to 100 in maths.

Class 2S & 2MT

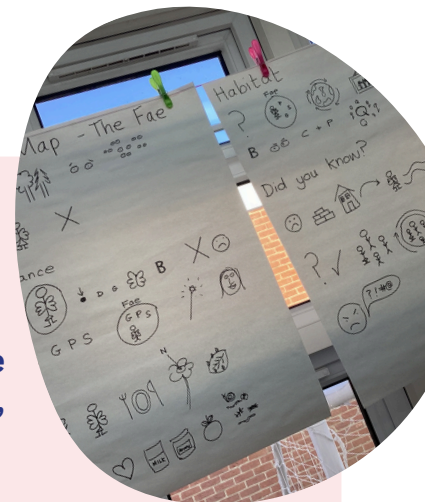

Wow! We've had such a busy week in Year 2!

On Monday we received our baby caterpillars in class. We are looking forward to observing the changes over the coming weeks, linked to our science topic on lifecycles.

We enjoyed our Shrove Tuesday celebrations by taking part in a skipping workshop, practised our skipping skills at playtime with the our new skipping ropes and feasted on pancakes for pudding at lunch.

In writing we have been rehearsing the words and actions for our information text "The Fae" and worked hard on writing sentences with a range of conjunctions about Bowtruckles.

A huge thank you to our Year 2 parents for their fantastic efforts with World Book Day costumes, we've had a great day celenraging and hearing other KS1 teachers share their favourite books.

Class 3C & 3WR

What a busy and exciting week we have had in Year 3! The children have taken part in a variety of activities, from skipping challenges to celebrating World Book Day. It has been a week full of learning, laughter, and lots of new experiences!

On Monday, we had some special visitors from the Scarborough Maritime Heritage Centre. Mark and Lindy, who are volunteers at the centre, shared fascinating facts about Scarborough's fishing history. The children learned about the clothing fishermen used to wear, the superstitions they followed, and saw some old photographs of the biggest catches. The highlight of the visit was getting to see real artefacts, including a gansey (a woollen fishing jumper), a crab pot, a model coble boat, and an old pair of leather fishing boots. It was a great experience that brought history to life!

In Maths, we have started a new unit on time. The children have been learning Roman numerals up to 12 and practising how to tell the time on an analogue clock to the nearest 5 minutes. If you have a chance to practise reading the time at home, it would be a great help as we will soon be moving on to telling the time to the minute.

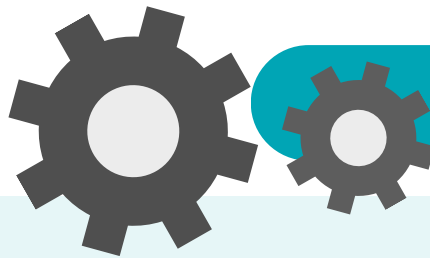

Class 4S & 4M

Year 4 have further been exploring persuasive techniques this week in English, mastering quotations, positive language and rhetorical questions to use in our innovation writing. In maths, we have been using our knowledge of our number bonds to 10 and 100, to help us to understand adding and subtracting within 1. We have used our toolkit to help them to include more ambitious grammar and vocabulary. They are sounding great! In maths, we are continuing to look at

We have had a jam-packed week with Pancake Day and World Book Day. The children in school loved our skipping lesson and we also loved hearing the stories from the children who enjoyed the community event down on the beach. Their costumes were brilliant yesterday for WBD! Well Done Year 4 and parents!

Class 5G & 5BT

What a week it has been this week! On Tuesday, the children at school enjoyed new skipping ropes and spent time with a skipping instructor to celebrate skipping day. We also celebrated World Book Day on Thursday. There was a "Where's Wally?" theme in school, and we had some amazing pictures taken recreating our very own Newby and Scalby "Where's Wally?". All the children's costumes were fantastic, so thank you all for making it such a memorable day!

In the classroom, we learned how to use relative and subordinate clauses and looked at how we can make inferences about characters while reading *The Boy at the Back of the Class*. Some of the discussions we have had this week have been outstanding - the children have shown that they can deliberate and articulate their thoughts brilliantly. We have also started to learn about negative numbers in maths and we have learned about gear trains in DT. The children successfully calculated gear ratios in coaxial gear trains - very impressive indeed!

Class 6BA & 6BL

Another busy week for Year 6!

It was lovely to hear the stories of the children enjoying the Scarborough tradition of skipping day on Shrove Tuesday. For those children who remained in school, they enjoyed celebrating the tradition of skipping day with a skipping class led by an expert instructor.

We loved seeing some of the costumes that the children came in on Thursday as part of World Book Day. They had a reading-filled afternoon learning about some teachers' favourite books and doing some activities linked to this.

The children have continued to work hard on their writing, reading and maths in school and are having lots of opportunities to practise skills, recap previous learning and plug any gaps that they may have. Next week, the children will be completing some practice assessments to test out access arrangements for SATs week.

Attendance

Attendance matters.

Coming to school on time, every day is vital to achieving the best possible outcomes as well as learning good habits which will benefit everyone in the future. Below is this weeks' attendance.

EYFS

| Miss Blakeley | 94.8% |

Week x attendance winners

Congratulations to Mrs Clayton's Class

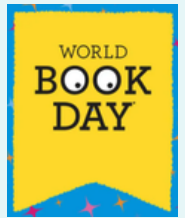

THANK YOU!

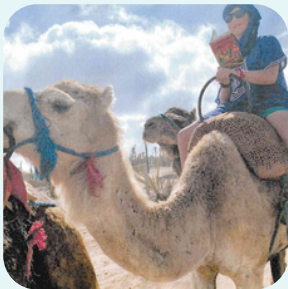

BOOK FAIR

A HUGE thank you to everyone who visited the book fair or purchased and ordered books online. We were overwhelmed to see so many of you last Friday, thank you for your patience whilst we navigated the new Scholastic payment system! Your purchases have been totalled and a percentage of the earnings given back to school. We are delighted to have received **£805** to spend on books for our classrooms.

Other News

Attendance Rewards

Congratulations to OC & OS who both received their first attendance reward of a McFlurry this week! A special mention also to 1A, 2MT, 3WR and 4M who received attendance rewards and have chosen to celebrate by bringing their teddies and slippers to school.

Y5/6 Netball

The Year 5/6 netball team showed huge improvement from previous outings. Their team work and sportsmanship did Newby proud!

Celebrating International Women's Day

Pupils walking past or visiting the Thrive room today have had the chance to learn about all some incredible women and take part in activities celebrating women and equality!
